Reference: Amended Year End Report (11/27/2012-12/31/2012), Received 6/4/2013

FEC regulations permit the establishment of administrative accounts for the purpose of defraying operating expenditures of the SSF. These disbursements are not reportable to the FEC.

That's said; ILA COPE did establish an administrative account and used the funds reported on 12/21/2012 to pay for salaries, supplies, PAC consulting and compliance fees and other PAC related activities.

I trust this response satisfactorily meets your inquiry.
